October - November 2018 Newsletter

Reflections Gallery - October 31

The student Reflections entries are done and being judged. All of the entries will be on display for the parents to see at the Reflections Gallery on Wednesday, October 31st in the upper grade Space POD right after the Halloween parade. Come see the amazing talent of our students.

Vision Screening

The kindergarten, 1st grade, 3rd grade, and 5th grade students had their vision screened on September 19, 2018. This is an important activity that helps parents know if their child may need help with their vision. You will receive communication from the school nurse if further testing is needed for your student. Otherwise, they passed the test.

Thank you to Christina Fellows for doing a fantastic job organizing the vision screening again this year. We appreciate Emily Baran, Mayra Beruman, Nisa Bravo, Heidi Brown, Lianna Black, Tiffany & Jeremy Dean, AnnaJune Elliss, Mayra Fellows, Staci Gattenby, Aaron Johnson, Brenda Kemp, MaryLynn Mendez, Lindsey Miller, and Veronica Nunez for helping with the screening.

Read-a-thon PTA Fundraiser

The PTA is hosting the Annual Read-a-thon fundraiser in October. This is the only PTA fundraiser of the year. We will keep 100% of the money raised and your child will directly benefit from it as we support school STEM (Science, Technology, Engineering & Math), field trips, art programs, family fun events and much more. We encourage all students to participate in order to make this a fun and profitable fundraiser for our school. Your students will bring home detailed information on Friday, October 5th.

We need several more volunteers to help with the day of reading on Thursday, October 25th.

This is an exciting event for the students when Super heroes spend the day at West Valley STEM. If you can help on October 25, please sign up in the office or contact the PTA at ptawve@gmail.com. We also need help to decorate the day before on October 24th.
