Put Kids 1st and Join the PTA

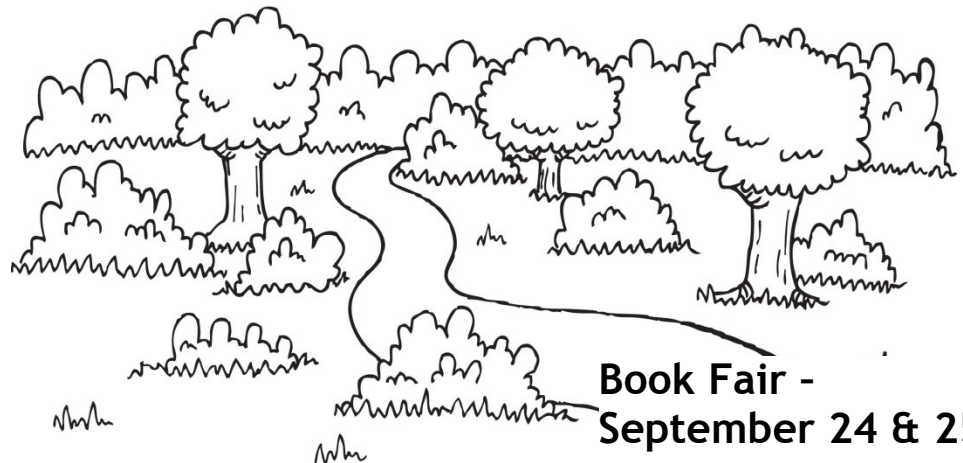

The PTA offers many great programs to help our students and our teachers, but it takes the support of everyone for them to be effective. Whether you are able to volunteer or not, becoming a member of the PTA helps us put Kids 1st.

We are sponsoring a class competition. The class that has the most parents, grandparents, or family members join the PTA by October 1st will win an ice cream party. So join the PTA and put Kids 1st!

You can get membership forms at the front office or at www.WVEPTA.weebly.com.

Students of parents who are involved have higher grades, better behavior, improved education, and increased confidence!

Wander into the Enchanted Forest Book Fair during SEP Conferences. It's full of irresistible books kids can't wait to read and where their imaginations can grow.

If we sell 450 books, the PTA will host a family movie night at the school!

This fall, say "BOO!" to the flu. Come get your families the flu vaccination and learn tricks to help prevent exposure to the flu virus all season.
